Information for learners in relation to
Training Delivery and Evaluation
(FETAC Level 6)

Course Assessment

Assessment of Course

CMSE Training Department implements procedures for the assessment of learners, which are required to be fair and consistent. The contents of this document outline the requirements of the assessment.

Summary of learning outcomes to be assessed:

- ❖ Project 40%
- ❖ Skills Demonstration 40%
- ❖ Learner Record 20%

Project

Candidates will be required to complete a project based on a brief devised by CMSE. The project will require the candidate to produce evidence of planning, researching, conducting and evaluating a training session. The project also requires the candidate to display theoretical understanding and practical application on a range of specific learning outcomes.

Deadline for assignments: - All projects must be submitted to CMSE within 4 weeks of completion of the course. Any projects submitted after this deadline will not be assessed.

Skills Demonstration

Candidates will be required to make a presentation of approximately 20 minutes duration. The presentation will need to address the specific learning outcomes of the candidates chosen subject. Candidates will be required to demonstrate effective communication skills in their presentation using appropriate visual aid e.g. handouts, flip charts, overhead projector.

Learner Record

Candidates will be required to complete a learner record based on a brief devised by CMSE. The learner record will be a self-reported and self-reflective record of the participants learning during the course. It will give participants an opportunity to reflect on their learning during the course.

Deadline for assignments: - All learner records must be submitted to CMSE within 2 weeks of completion of the course. Any projects submitted after this deadline will not be assessed.

Grading

- ❖ Pass 50-64%
- ❖ Merit 65-79%
- ❖ Distinction 80-100%

Recognition of Prior Learning

Learners may be assessed on the basis of their prior knowledge and experience. Providers must be specifically quality assured to assess learners by this means. To do so they must complete B10, see Provider's Quality Assurance Guidelines and be included on the Register of RPL approved providers. See RPL Guidelines and www.fetac.ie/rpl for further information and registration details.

CMSE will take into consideration any learner that applies for compassionate consideration in relation to their assessment. The learner should provide appropriate evidence to CMSE to support the request.

Materials required for the skills demonstration: - PowerPoint presentations must be used for the delivery of the presentation.

Authorship Statement: - All candidates must submit a statement with his/her assignments clearly stating the work is their own work. The authorship statement must be signed by the candidate and must be included with the assignment.

When assignments are e-mailed to a CMSE e-mail address the e-mail will be taken as evidence that the work submitted is the original work of the candidate and will be accepted as the Authorship statement for the assignment. The e-mail address given in the personnel details form will be taken as the official e-mail address from the candidate

Equality & Diversity: - CMSE Training Services is committed to equality of opportunity for staff, learners, stakeholders and all under-represented groups and to a pro-active approach to equality in the workplace. We strive to support and encourage promotion of an inclusive learning culture and fully recognize the value of diversity.

CMSE recognizes that it has a responsibility to provide reasonable accommodation to learners who have a disability, or other persons covered by the nine grounds of Equality Legislation. An accommodation is a modification of classroom or an evaluation procedure designed to accommodate the particular needs of an otherwise qualified learner with a disability.

Please contact the Training Department in the CMSE office for further details on 021-497-8100

Learners with learning disabilities and special requirements: - If any learner has special requirements to complete the assessment of this course, please make it known to the instructor. It is CMSE's policy to support any special requirements of learners during the course program & course assessment.

Access, Transfer & Progression: - It is CMSE's intention to recognise a learner's prior learning and to promote an equitable and fair admission process whilst also providing programs of study which facilitate learners who wish to transfer or progress to other programs leading to recognized awards.

Award/Certification

FETAC Level 6 – 6N3326 - www.fetac.ie

Appeals/Repeats Process: - Any learner may appeal or repeat a result of an assessment. A learner may register an appeal within 14 days of receiving a result from CMSE.

Assessment malpractice: - Candidates found to be involved in any form of assessment malpractice will be immediately disqualified from sitting the course assessment. Some examples of assessment malpractice are:

- ❖ Cheating in the examination
- ❖ Plagiarism including copying large amounts of work from other sources and not acknowledging or referencing this work
- ❖ Pretending to be somebody else
- ❖ Fabricating evidence or results
- ❖ Failing to follow the instructions of an examination invigilator
- ❖ Bringing unauthorised materials into the examination

CMSE will investigate any form of assessment malpractice which could impact on the validity of the assessment result.
